JERRY WINTERS.....CLIVE BROOK

Handsome Joe Hagney.....John Patrick

Scarlet Fever Saunders.....Charles Conklin

Pious Joe McDowell.....Claude Gillingwater

Mamie McDowell (his wife).....Mathilde Brundage

SYNOPSIS

The entire crook world is thrilled by the news that the famous Vickers mansion on Long Island is completely unguarded through the sudden walk-out of private watchmen. That means "grand pickin's" and different members of the safe-cracking profession are quick to answer the call.

Jerry Winters, a debonair soft-fingered gentleman, is the first to arrive. Then come Molly Brian and Handsome Joe Hagney, who immediately loot the safe. Just as they are about to make their get-away, Jerry confronts them with a gun and convinces them that he is the owner of the house. Molly gives him the stolen money, but later holds him up and gets it back.

In the meantime, Pious Joe McDowell and his wife are admitted, also intent on the contents of the safe, but they pose as guests and succeed in intimidating the three crooks. To save their skins, Jerry acts as the butler, Molly as the maid and Handsome Joe becomes the chef.

To cap the situation, a policeman who has been sent to insure the house against thieves, turns the electrical burglar-alarm on, thus making prisoners of the five crooks already there. They dare not leave the house for fear of sounding the burglar-alarm and bringing the law down upon their heads.

Still another crook arrives, by the name of Scarlet Fever Saunders. He swoons on the doorstep and is carried into the house. A doctor, planted on the sidewalk, pronounces him a bad case of scarlet fever, and Saunders, the wily trickster, is put to bed and locked in.

A tense period of waiting ensues, during which Molly and Jerry fall in love, and decide to team up for life, while Handsome Joe and Saunders become partners in crime.

An exciting turmoil arises when Joe and Saunders escape from the house and are then caught by an officer. Jerry and Molly then confess to their true identities and the others follow suit.

A year or so later, we find Jerry and Molly, happily married, doing a splendid business with burglar alarms.

Seven daring sinners invade a mansion on Long Island. One poses as the owner of the house, some impersonate guests and servants, while the others gain entrance through devious cunning... but all come with the purpose of looting the safe. A queer trick of chance makes them all prisoners in the house, each striving to outwit the other six in a tantalizing, rushing avalanche of merri-ment that innundates the photoplay, "Seven Sinners," with thrills.
